

Mode of Attendance: Day (Public/Tailored) | **Duration:** 1 Day

The IOSH Working Safely course provides an overview of the essentials of health and safety and why everyone at work should have an understanding of why they must 'work safely'. Working Safely introduces a completely new approach to health and safety training.

Course Outline:

- > Health and Safety Policy
- > Workplace Precautions
- > Risk Assessments
- > Identify Hazards and Evaluate Risks in the Workplace
- > Co-operate and Communicate Safety Matters
- > Undertake Work Activities in a Safe Manner
- > Report Relevant Accidents and Incidents
- > Active Monitoring

Target Audience: This course is designed for staff from any sector with no supervisory or managerial responsibility.

Entrance Criteria: There are no entry requirements.

FURTHER STUDY OPPORTUNITIES

On successful completion candidates may progress onto the IOSH Managing Safety course.

BENEFITS TO THE ORGANISATION

Organisations will benefit from having a skilled workforce who are aware of their responsibilities for safety in regards to themselves, colleagues and others affected by work activities.

BENEFITS TO THE INDIVIDUAL

Individuals will benefit from gaining knowledge and an understanding of how collective actions contribute to health and safety in the workplace. Their personal responsibilities will be clearly understood.

PRICE

The cost for this course is £160 per person.
